

What is Intueri Hypno TM ?

Latin definition of Hypno means: **"I see, I do see, I AM seeing."**

The word intuition comes from the Latin word intueri, meaning **"look within."** Webster definition is "the power or facility of attaining direct knowledge ...without evident rational thought."

To bring about a complete and lasting change, we must work on the root of the problem with Intueri Hypno TM, not just treating the symptom , the fundamental study of cognition.

A Science...

Intueri Hypno TM is a science empowerment approach to look within to facilitate transformational healing and or wellness by achieving a higher awareness of life through application of mind/body integrative medicine. Intueri Hypno TM is a powerful and gentle transformational release tool to guide a person to clearing of past trauma, reset belief systems, and promote health and wellness. **Improve all areas of life; personal, professional, and spiritual development... Enhance childbirth, improve your business, relationships, athletic performance...and more!**

Tell me More...

Worry, Doubt and Fear, and many others can negatively influence our health and wellness when they don't resolve normally. When our mind fails to "let go" by reason of the subconscious of what was originally a response, capturing a reaction, it can trigger behavior and unwanted non- resourceful areas for the rest of our life, affecting our beliefs, our behaviors or actions, and even our physical and emotional body and health!

What are the benefits?

Intueri is both a **compliment** to other approaches to medical and holistic care, and a **complete empowerment system** to develop self-care and self help tools. It can address **physical illness, physiological areas and emotional or mental disorders, and can also promote high-level wellness, spiritual and peak performance.** Valuable compliment benefits include enhancement to all cultural beliefs through educational understanding and application of tools of Intueri Hypno TM.

What Does it Do?

Harmonizing the body, mind ,spirit and thought using a combination of expanded conscious thought, subconscious expert skills & holistic care.

How does it work?

Intueri Hypno TM empowers a higher perspective of life. It is a unique "whole brain" function. It draws upon both our wise mind, and our entire lifetime of experience stored in the subconscious mind. It is the **most powerful method of integrating our conscious and subconscious thought processes.** The Intueri Hypno TM application is uncanny to identify and empower the block in the subconscious mind to rid illusion of wellness and emotional difficulties in life. Transformational healing is achieved by allowing the experience of the suppressed emotions to be cleared. This is facilitated by guiding a client back to original experience, or awareness with releasing hidden areas of the subconscious mind.
